People come and go in our lives. However, most of us are lucky enough to have people we can pick things up with as if no time has passed at all. These relationships that stand the test of time are so very comforting to me-- knowing that special person is ‘always there.’ Sometimes the busyness of our day-to-day lives makes it very difficult to keep in touch as often as we’d like. But doesn’t it feel great when we finally do reconnect? We’re extremely pleased to announce our own reconnection with someone very special to Complete Senior Care PACE. Deborah Brown, RN, has joined our team as Senior Director of Clinical Services / PACE Center Manager. Debbie was part of the original CSC team who enrolled and managed the program’s very first participants and is truly happy to be back to the ‘bigger and better than ever’ Complete Senior Care PACE: “I’m just so glad to be back,” remarks Debbie. “In many ways it feels like I never left. One thing is different for sure though: the program has grown and flourished tremendously and now there are so many more participants and families for me to meet and help. I look forward to getting reacquainted with the participants I already know, and to meet those new to the program. PACE is so unique and serves such a need in our community...I’m thrilled to see where we can take this program in the future.” We hope you all join us in welcoming back Debbie and wishing her well on her new position with PACE.

Warm wishes to all for a beautiful month and a Happy Mother’s Day!

Sincerely,  
Virginia
